MESSAGE BY MANAGING DIRECTOR

Dear Members,

It feels great to say that your Company's focus on cost optimization across all business segments, cash flow generated from rights issue and sale of some non-core assets has helped your company to turnaround during the financial year 2016. Your Company has seen one of the difficult phases during the previous three years and has managed to rise through the downfall towards profitability along with strengthening its Balance Sheet.

Your Company's focus towards improving operational efficiency through robust project monitoring, writing off all the past non remunerative contracts and cash flow generation helped to steer your Company in tough times.

Your Company had successfully raised Rs 100 Crores through rights issue during the financial year 2016, the proceeds of which as you all would be aware has largely been utilized towards repayment of certain high cost debt and to kick start certain key projects which were slow moving due to tight cash flow situation. Your Company has also identified few non-core assets and is looking to monetize it for incremental cash flow generation of around Rs. 100 crores which will help your Company to improve liquidity in business and achieve higher growth.

The EPC Business is growing strong with a focus on diversified order book across segments. The Company has formulated stringent criteria for selection of clients and intends to work with reputed developers with better credential. Your Company has seen an improvement in the quality of contracts with more full service contracts being given by the clients. With macroeconomic stability and initiatives taken by the Central Government to boost sector prospects in the coming years, your Company looks set to benefit from the huge opportunities going forward.

In the real estate segment your Company's current land bank of 315 acres is fully paid for where its share of developable area is 17 million square feet. The real estate sector is in the transition phase where the Government is taking several initiatives to

revive the sector. A number of regulatory changes and policy measures have been initiated and are likely to bear a positive impact on the Indian real estate sector. With the growth in the Indian economy and likely reduction in interest rates, pickup in housing segment can be expected. Your Company's project at Kharadi, Pune has seen good progress in phase II with great interest from buyers. With the Government emphasis on Housing for All and development of affordable housing, your Company may also look for favorable opportunities in this niche segment.

Your Company's subsidiary GMP Technical Solutions, the business it acquired in 2010, which is a professionally managed company, has grown at a CAGR of 25% in top line since acquisition. GMP is one of the leading manufacturers of clean room partitions, isolators and also provides HVAC and Building Management Services solutions. The products manufactured are extensively used in pharma and healthcare industry. Semiconductor and solar industry are also emerging opportunity for these products in India now.

GMP has manufacturing facilities at Baddi, Himachal Pradesh and Bhiwandi in Maharashtra. The Baddi facility is operating at full capacity and your Company is expanding the manufacturing facility for clean room partitions at Bhiwandi to cater to high demand of the clean room partitions. Company's continued focus on cost optimization and reduction in overheads has resulted in a better performance for the services division in FY16. The Company expects growth momentum to pick up in the coming years.

I thank all employees along with the management team for their outstanding support during the testing times. I am thankful to the Board of Directors for their able and constant guidance and support. I thank our shareholders who have stood by us in the difficult times. I am quite confident that the worst is behind us and reiterate of delivering much better performance going forward. I am sure; with all your support we shall reach new highs in the near future.

R. Vasudevan,

Managing Director.

MESSAGE BY CHIEF EXECUTIVE OFFICER

Dear Members,

It is my pleasure to write to you as we start a new financial year 2016-17. Last year when I addressed you, the Company was going through a phase of transition. We reshaped our strategy in FY15 and have made important progress in our business plan that has led the Company turn profitable with a much improved and healthy Balance Sheet in FY16. The Indian economy emerged as a bright spot, becoming one of the fastest growing large economies with a GDP growth of 7.6% in FY16. The macroeconomic stability and Government initiatives have augured well for the sector we operate.

Our call on the non performing EPC contracts wherein we exited or closed most contracts allowed us to have contracts with good profitability in our EPC order book. Our focus on optimizing costs across all business segments, having good quality contracts and cash flow generation enabled the Company to perform better in FY16.

The Company generated Rs 100 crores from rights issue during the year which aided the Company to repay high cost debt and start key projects in real estate segment. The Company is committed towards cash flow generation and has identified few properties and expect around Rs. 100 Crores by monetizing them.

The company is focused on acquisition of quality contracts with good margins. The focus remains on design and built turnkey project and to build order books across segments from creditable client

especially institutions like hospitals, hotels, industrial construction, and certain government agencies.

I would like to take this opportunity to thank all employees and the management team for supporting the Company during the difficult times. I sincerely convey my gratitude to the Board of Directors for their able guidance. I also thank the banks who have stood with us in these difficult times. My sincere gratitude to our shareholders who believed in us when the Company was passing through difficult phase.

We are confident of delivering much better performance going forward.

Thank you.

Dr. Santosh Sundararajan.

Annexure IV
FORM NO. MR.3 Secretarial Audit Report

FOR THE FINANCIAL YEAR ENDED 31 MARCH
2016

[Pursuant to section 204(1) of the Companies Act,
2013 and rule 9 of the Companies (Appointment
and Remuneration of Managerial Personnel) Rules,
2014]

To,
The Members,
Vascon Engineers Limited
15/16, Hazari Baug, LBS Marg
Vikhroli (West), Mumbai 400 083.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Vascon Engineers Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2016 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2016 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment. Provisions relating to Foreign Direct Investment and External Commercial Borrowings were not applicable to the Company during the Audit Period;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The erstwhile Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 notified with effect from 15 May 2015;

EXHIBIT 1: CSR ACTIVITIES REPORT

Vascon Moorthy Foundation ('VMF') completed 8 years of long and meaningful journey contributing tirelessly towards the well being of community of construction workers, working on Vascon sites. Activities undertaken by VMF during the year are as follows:

Eye checkup Camp:

Eye Check up camp at Lake District Site Yewalewadi Kondhwa. Construction industries are hazardous mainly because of dust from cement and other materials used on site. These dust particles may be harmful to eyes and due to poor financial condition of the workers their negligence regarding the same; they avoid getting their regular eye checkups. VMF has been focusing on it and organized eye checkup camps at Lake District Site Yewalewadi Kondhwa on 18th April 2015 in association with H.V.Desai Eye Hospital, Mohamadwadi, Hadapsar. Total 60 workers took benefit of eye check up camp including children. Six workers received spectacles at a concessional rate. Doctors of H.V. Desai Eye Care Hospital also explained to the laborers about the care to be taken during welding. We are grateful to Dr. Shruti Shah, Dr. Pankaj Shinde and Dr. Komal Arora of H.V. Desai Eye Care Hospital for their valuable time spent with our laborers.

Immunization:

Prevention is better than cure!

Preventive Health Care is one of the major components of the extensive Health Care Programme implemented by VMF on all the construction sites. Due to continuous migration, laborers and their children are deprived of preventive health care programme. 189 children from construction sites have been immunized in the year 2015-2016, against Polio, Triple vaccine, Jaundice, BCG, Measles etc. It has been possible with the help of Niramay -NGO, PMC and PCMC. Parents of these children are convinced for immunization camps. The response to these camps

was overwhelming. Doctors and the nursing staff built excellent rapport with the parents and gained their confidence.

HIV & AIDS Awareness Programme:

Construction sites laborers continuously keep wandering in the urban centers in search of work. This is considered to be a high risk population, as far as, HIV & AIDS is concerned. They have very little awareness about it and have many misconceptions about the illness. VMF staff covered 7 Sites in Pune city for the scientific HIV/AIDS awareness programme at Citron, Forest County, Platinum Square, Windermere, Ela the Earth, SVEC, Lake District, a total of 523 workers were covered including female. It was very good that many people asked for the referral services available in Pune. They were given the address of voluntary counseling and testing (VCTC) center. They were also provided the addresses of the Anti Retroviral Treatment (ART) centers. After the HIV & AIDS Awareness programme, condom demonstration shown to male workers and condom distributed.

Preventive and Curative Health Camps:

In the year 2015-16, VMF focused on the preventive and curative health care of the construction workers, with the help of existing Government health services.

A total of 84 health checkup camps were held on all the sites in Pune. Total 2941 Workers benefited from these camps. Curative aspect of the programme enthused the workers. Getting medicines, vitamins as well as iron supplements free of cost was rewarding for them. Construction industry is a hazardous industry; cuts and wounds are very common while working on sites. 992 workers were given T. T. This will be an ongoing programme every month. In these health camps 160 children got De-worming doses and 51 children received Vitamin A doses. Teams of PMC and PCMC Health department from various hospitals come to site on regular basis. Anemia is one of the

sever problem in women, during the health camp most of the female workers received iron and folic acid supplements,

Crèches/ Day Care Centers on Construction Sites:

Since construction industry is hazardous, safety of children on construction sites is very important. Both the husband and wife work on the site and there is nobody to look after the children at home. If women stay at home they will lose out on opportunities to earn wages, which is important for them to earn their living. Vascon Moorthy Foundation runs Day care Centers at construction sites with the help of Tara Mobile Crèches and Ashakiran Shelter Foundation at 4 sites to take care of children at crèches and women are assured that they have left their children at a safe place and can go to work with a calm mind. In crèches children get nutritional food, toys to play, animated movies for entertainment and of course they get pre primary formal education, too.

Activities for Children:

Education has been always VMF's first priority. In order to get continuous education to children of ever-migrating construction site workers, VMF started a hostel at Phulgaon in a joint venture with Ishwarapuram Trust. Currently, this hostel only has boys staying.

In the academic year 2015-2016, 17 students were enrolled in the hostel from standard 3rd to 10th. One of them successfully passed the 10th standard exam with 1st class with distinction. Two of them successfully passed the 10th standard exam with 1st class. One of them passed with second class. Total four students successfully passed std 10th.

A trip of student was organized at the mounting side near Pulgaon village as a part of recreation for the children.

A Recreational Summer Camp for the children:

The children of the laborers are used to staying in different labor camps of construction sites. Some of

them go to the crèches on site, few of them are studying in different schools around the site and few of them are staying in Ishwarapuram hostel which is specially run by VMF. Most of these children do not have access to recreational facilities available near the labor camp. They do not have easy access to gardens, museums or zoos. During vacations they do not get many pleasures as the other children in the city due to their financial condition. Hence they eagerly await the Summer camp organized by Vascon Moorthy Foundation. A day full of fun and games. It was held on 22nd May, 2015, at Agakhan Palace, Nagar Road. There were 61 children totally for the summer camp.

Children learn and experienced Origami, Quelling, they made the small beautiful pots and handmade Bhandhani Handkerchief and made very attractive Crystal flowers. They enjoyed the learning dance from professional dancing team.

Star Site Competition for Best maintained Labor camp for workers.

VMF conducting Star site competition at all India level every year. The purpose of this competition is to motivate the site staff to provide the better hygiene, safe drinking water facility, healthy environment and better living condition to improve the labors quality of life.

In the year 2015-2016 total 12 site fulfilled the criteria of the competition and TNMCH Chennai won the award of Star site competition, Windermere Pune was first runner up and Lake district Pune was second runner up. All winner sites got the Trophy and some cash prices, as a token of appreciation.

MANAGEMENT DISCUSSION AND ANALYSIS

Vascon Engineers Ltd is one of the leading EPC Company in India, with presence in the asset light Real Estate business and in the high growth Clean Room Partition manufacturing business. It is probably one of the rare companies that have the construction capabilities to execute not only its own real estate projects but also third-party contracts. With a strong track record of 30 years in EPC and Real Estate operations, the Company has created a number of projects of eminence and splendor on a timely basis.

EPC operations span on diverse areas like pharma, hospitals, factory buildings, educational institutional buildings, Government buildings, MES (Military Engineering Services Building), hospitality building etc. The company has executed over 200 projects across all building segments since inception with an execution capability of ~8 mn sqft per year and has a track record of successful & timely execution of Landmark projects such as Ruby Mills (Mumbai), Suzlon One Earth (Pune), Nucleus Mall & Offices (Pune), Symbiosis College (Pune), IGI Airport MCLP (New Delhi), Cipla SEZ (Indore).

On other hand Real Estate segment is embossing its mark with projects of residential and commercial complexes as well as shopping malls, multiplexes, hospitality properties and IT parks.

Macro Economic Review

The Indian economy has emerged as a bright spot in the world economy, becoming one of the fastest growing large economies in the world. The 7.6% growth in the GDP at constant market prices in FY16, compares favourably with growth in the previous three years; 7.2% in FY15, 6.6% in FY14 and 5.6% in FY13. It is noteworthy that this growth is achieved despite subdued global demand that dampened India's exports significantly, and two consecutive below-normal monsoons that impacted farm output and productivity.

The macroeconomic stability has improved substantially with the continuance of fiscal prudence, lower inflation, lower current account deficit, decline in the price of Indian basket of crude

The Government has recently spearheaded several reforms such as easing of FDI norms, liberalization of ECB policy, Housing for All & development of affordable housing, Smart Cities, redevelopment of Government colonies, providing incentives to

oil and robust foreign exchange reserves. All this shows that the Indian economy has effectively weathered the global challenges, and the near term growth prospects appear bright.

The year witnessed the continuation of the reform momentum built in FY15, aiming at aiding growth and macroeconomic stability. The reforms that were initiated last year for debottlenecking the economy, removing structural constraints, promoting industry and enterprise via Make-in-India initiative and the attendant measures to improve the ease of doing business, encouraging saving and financial linkages through deepening of banking services and liberalising foreign direct investment policy in various sectors have been taken forward this year. The economic outlook for FY17 looks positive with an expected GDP growth of over 7.7% in FY17 as per Government projections.

India's Infrastructure and Construction Sector

The recovery of the infrastructure and construction sector in FY16 has been a mixed bag with some segments like roads and urban infrastructure registering improvement in the pace of execution and awarding of fresh projects at a time when the overall construction activities have remained tepid at best. This comes at a time when corporates and banks have stressed balance sheets, limiting the funding avenues for newer projects. The recovery in the sector is likely to be gradual as most players are still burdened with leveraged balance sheets. Further, structural constraints like uncertainty in land acquisition, delays in approvals, delays in payments, long working capital cycle, etc., have affected the progress of the projects and Companies.

In FY16, many Companies across the sector looked to deleverage their balance sheets. Many construction and infrastructure companies have either raised or have plans to raise funds through the equity route [via qualified institutional placements (QIPs), rights issues, warrants, preference shares] or asset monetization to reduce their overall indebtedness. For companies such as Vascon with improved Balance Sheet in FY16, execution has witnessed improvement in FY16 leading to profitability.

promote Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs). The macroeconomic stability and initiatives taken by the Central Government is likely to boost sector prospects in the coming years. Vascon, which has

managed to rise above the economic downturn witnessed in the previous few years, looks set to benefit from the huge opportunities going forward.

Real Estate

Indian real estate is going through a phase of transition in the process of its development. The challenge for the sector today is to meet the rising demand for world class infrastructure in cities, housing across different income levels and create sustainable cities for future generation. The policy makers have taken several initiatives to revive the real estate sector and improve investor and buyer confidence. A number of regulatory changes and policy measures have been initiated and are likely to bear a positive impact on the Indian real estate sector. Some of them include relaxation of FDI rules, establishment & rationalization of REITs, redefining affordable housing, Housing for all by 2022, tax incentive on home loans, Smart City projects and setting up of National Industrial Corridor Authority.

The government has allowed FDI of up to 100% for townships and settlements development projects. Under the Housing For All scheme, 6 crore houses are to be built in which 4 crore in rural areas and 2 crore in urban area by 2022. Further, clearing of Real Estate Regulatory Act (RERA) is a great step towards building buyer's confidence through increase in transparency and removing various bottlenecks.

India is an underserved economy in terms of real estate requirements. There is a wedge between demand and supply of housing, largely as a result of information asymmetry. However, with increased market transparency, this demand/supply mismatch can offer immense opportunities for developers and investors alike. Demand for residential properties has surged due to increased urbanization and rising household income. On the other hand, growing economy is driving demand for commercial and retail space. Growth in the Indian economy will definitely see favourable reflection in the real estate sector, as well.

Company Performance

During the Financial Year 2015-16, the total turnover on consolidated basis increased to Rs. 658.58 crores as against Rs. 638.11 crores in Financial Year 2014-15. EBITDA for FY16 was reported at Rs 75.18 Crores as compared to a loss of Rs 80.29 Crores in FY15. Improved operational performance led the Company towards profitability, with the Company reporting Profit After Tax of Rs 7.02 Crores for FY16 as against a loss of Rs 144.77 Crores in FY15.

The Company is taking concrete steps for a healthier EPC order book; focus on completion of current land portfolio with preferences on new phases of existing fast moving real estate projects; and cost optimization and better utilization in Clean Room business to improve overall revenue and profitability of the company.

Clean Room Partition & BMS Business

As a part of backward integration the Company had acquired GMP technical solutions, an integrated provider of Engineering services, in August 2010. GMP is one of the largest manufacturers of Clean Room Partitioning Systems and Turnkey Solution Provider.

GMP is also specialized in Turnkey Jobs & has expertise in giving one window solution to the clientele in the fields such as:

- Project Management
- HVAC (Design, Supply & Installation)
- Integrated Building Management System (IBMS)
- Clean room Validation Services

GMP had a CAGR of over 25% percent growth in the top line in the years after our acquisition. However, the bottom line was under pressure due to losses in the services division despite the manufacturing division performing well. Company's continued focus on cost optimization and reduction in overheads has resulted in a better performance for the services division in FY16. The Company expects growth momentum to pick up in the coming years.

Strength, Opportunities, Strategy

The Company will continue to focus on improving operational efficiencies and strengthening of Balance Sheet. It is committed towards cash flow monetization by sale of certain non-core assets for incremental cash generation to improve liquidity in business and achieve higher growth.

The Company intends to continue to focus on performance and quality and timely project execution. It has built up a team mainly of engineers who are backed up by highly qualified specialists from various fields of management, for activities from planning and procurement to testing and execution which follows well-documented system and procedures in order to seek to maximize

customer satisfaction in both our EPC operations and real estate development businesses.

Optimise business mix of two verticals of business operations viz: EPC and Real Estate wherein the Company intends to take advantage of the significant growth opportunities in the Indian economy. The Company focus remains on design and built turnkey project and to build order books across segments from creditable client especially institutions like hospitals, hotels, industrial construction, and certain government agencies.

Capital Light Model for Real Estate Business whereby the company enters in to Joint Development Agreement with land owners to acquire development rights against predetermined percentage in revenue. This model brings along capital efficiency and allows the company to rapidly grow the business without blocking large amounts of capital in land purchases. This model helps the company de-risking itself from cyclical down turn in business.

GMP Technical Solutions has manufacturing facilities at Baddi, Himachal Pradesh and Bhiwandi in Maharashtra. The Company is expanding manufacturing facility for clean room partitions at Bhiwandi to cater to high demand of the clean room partition.

Threats, Risks, Concerns

In EPC business delay in projects execution, stall of projects due to non payment by developers, steep cost escalation in inputs affects the execution of project and results in significant cost overrun.

In Real Estate business financing, uncertainty on monetary and fiscal policy, changes in government regulations, foreign direct investments, approval processes, environment clearances and legal hassles & proceedings affects the execution project and results in significant cost overrun.

Human Resources

There has been a strenuous effort at right sizing the organisation and creating a lean workforce. This leads us to a promotion of efficient processes, emphasising on reduction in duplication of roles and enhancing the efficiencies of each role. Finally, it has been imperative to have appropriate persons for each role for their contribution to the organisation is maximised.

Internal Control System

The Company's internal control procedures ensure compliance with various policies, practices and statutes in keeping with the organization's pace of growth and increasing complexity of operations. The extensive audits are carried out throughout the year, across all functional areas and reports to the Audit Committee of the Board of Directors.

Risk Management

The Company has developed a robust risk management framework. It has been identified as one of key enablers to achieve the company's objectives.

Increased competition, pressures on cost and deliveries, forex & commodity price variations, impact of recessionary trends on the award of jobs and manpower attrition are some of the major risks faced by the Industry. The Company has however adopted risk mitigation steps right from pre-bid stage covering technical, procurement and financial risks. The measures such as advanced quantitative tools, global sourcing, standard operating procedures, and operational excellence initiatives have been implemented so as to protect the profitability of the business.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF VASCON ENGINEERS LIMITED Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of VASCON ENGINEERS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and

matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report

that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
- e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer note 35 to the financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vascon Engineers Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent

applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's

assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial

reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered documents provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) In our opinion and according to the information and explanations given to us, having regard to the nature of inventory, the physical verification by way of verification of title deeds, site visits by the Management and certification of extent of work completion by competent persons, are at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) According to the information and explanations given to us, the Company has granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The terms and conditions of the grant of such loans are, in our opinion, *prima facie*, not prejudicial to the Company's interest.
 - (b) The schedule of repayment of principal and payment of interest has not been stipulated and in the absence of such schedule, we are unable to comment on the regularity of the repayments or receipts of principal amounts and interest.
- (c) There is no overdue amount remaining outstanding as at the year-end.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) There were delays by the Company in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and

other material statutory dues applicable to it to the appropriate authorities.

Notes forming part of the financial statements

1 Corporate Information

Vascon Engineers Limited (the 'Company') was incorporated on January 1, 1986 and is engaged in the business of Engineering, Procurement and Construction services (EPC) and Real Estate Development. The shares of the Company are listed on National Stock Exchange and Bombay Stock Exchange.

2 Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of Estimates

The preparation of the financial statements, in conformity with the Indian GAAP, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liability) at the date of the financial statements and the reported amounts of revenues and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between actual results and estimates are recognized in the periods in which the results are known/materialize.

2.3 Tangible Asset, Intangible asset and capital work in progress

- a) Fixed assets are carried at cost less accumulated depreciation/amortisation. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.
- b) Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and disclosed separately.
- c) Capital Work in Progress - Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest. Revenues earned if any, before capitalization from such capital project are adjusted against capital work in progress.
- d) Borrowing cost relating to acquisition / construction /development of tangible asset and capital work in progress which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such asset are ready to be put to use.

2.4 Impairment of fixed assets

At the end of each year, the management reviews the carrying values of assets to determine whether there is any indication that those assets have suffered impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent, if any, of the impairment loss. Where it is not possible to estimate the recoverable amount of individual asset, the management estimates the recoverable amount of the cash generating unit to which the asset belongs. Intangible assets are tested for impairment every financial year even if there is no indication that the asset is impaired.

If the recoverable amount of an asset of cash generating unit is estimated to be less than the carrying amount, the carrying amount of the asset or the cash generating unit is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset of cash generating unit is increased to the revised estimate of a recoverable amount, not exceeding the carrying amount that would have been determined had no impairment loss been recognised for the asset or cash generating unit in prior years. A reversal of impairment loss is recognised immediately in the Statement of Profit and Loss.

2.5 Depreciation / Amortisation / Diminution

- a) Depreciation on tangible fixed assets is provided for on written down value method based on estimated useful life of fixed assets.

Assets	Useful Life
Leasehold Land	Over the period of the lease
Building*	60 years
Plant and machinery	15 years
Furniture and fixtures*	10 years
Vehicles*	8 years
Office equipments*	3 to 6 years

* Estimated useful life of assets consistent with the useful life specified in Schedule II of the Companies Act, 2013.

The economic useful life of assets has been assessed based on technical evaluation, taking into account the nature of assets, the estimated usage of assets, the operating conditions of the assets, past history of replacement, anticipated technological changes, maintenance history etc.

- b) Intangible assets are amortised on the written down value method over their estimated useful life.
c) Fixed assets individually costing Rs. 5,000 or less are depreciated fully in the year of acquisition.
d) Depreciation on assets acquired/purchased, sold/discarded during the year is provided on a pro-rata basis from the date of each addition till the date of sale/discard.
e) Cost of acquisition of share in partnership firm is amortised on systematic manner. Adjustments are made for any permanent impairment in value, if any.

2.6 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.7 Recognition of Revenue / Cost

a) Construction contracts

Revenue from fixed price construction contracts is recognised on the Percentage Of Completion Method (POCM). The stage of completion is determined by survey of work performed / completion of physical proportion of the contract work determined by technical estimate of work done / actual cost incurred in relation to total estimated contract cost, as the case may be. The estimate of total contract cost has been made at the time of commencement of contract work and reviewed and revised, by the technical experts, from time to time during period in which the contract work is executed. Future expected loss, if any, is recognised immediately as expenditure. In respect of unapproved revenue recognised, an adequate provision is made for possible reductions, if any. Contract revenue earned in excess of billing has been reflected as unbilled revenue under the head "Other Current Assets" and billing in excess of contract revenue has been reflected as Unearned Revenue under the head "Other Current Liabilities" in the Balance Sheet.

The Company provides for cost to be incurred during warranty period for servicing warranties on the completed projects. Such amount, net of the obligations on account of sub-contractors, is determined on the basis of technical evaluation and past experience of meeting such costs.

Escalation claims raised by the Company are recognised when negotiations have reached an advanced stage such that customers will accept the claim and amount that is probable will be accepted by the customer can be measured reliably.

b) Real estate development

(i) Completed Units

Revenue from sales of units is recognized as and when the underlying significant risk and rewards of ownership are transferred to the purchaser.

(ii) Units Under Development

Revenue from sales of such units is recognized as and when all the following conditions are satisfied:

- (a) The underlying significant risk and rewards of ownership are transferred to the purchaser.
(b) All critical approvals necessary for commencement of the project are obtained .
(c) Reasonable level of development is reached when project cost incurred excluding land cost and borrowing cost exceeds 25% of the project cost.
(d) Atleast 25% of the estimated project area are secured by contracts or agreement with the buyers.
(e) Atleast 10% of the total revenue as per agreements of sale are realised at the reporting date in respect of each of the contracts and there are no outstanding defaults of the payment terms in such contracts.
(f) Certainty of recoverability of the balance consideration.

Project revenue and project costs associated with the real estate project are recognized as revenue and expenses by reference to the stage of completion of the project activity at the reporting date in accordance with "Guidance Note on Accounting for real estate transactions".

The percentage completion for the purpose of recognition of revenue is determined based on actual costs incurred thereon by the Company to total estimated cost with reference to the saleable area. Cost for this purpose includes cost of land/development rights, construction and development costs of such properties borrowing costs and overheads, as may be applicable.

The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period in which such changes occur.

However, when the total project cost is estimated to exceed total revenues from the project, loss is recognized immediately.

- c) Share of Profit/Loss from Partnership firm/ Association of Person is recognised as income during the relevant period on the basis of accounts made-up audited or unaudited as the case may be and allocation made by the firm/AOP in accordance with the Deed of Partnership/AOP Agreement.
- d) Interest Income – Interest income is recognized on time proportion basis taking into account the amounts invested and the rate of interest.
- e) Dividend Income – Dividend income is recognized as and when the right to receive the same is established.
- f) Rental Income - Income from letting-out of property is accounted on accrual basis- as per the terms of agreement and when the right to receive the rent is established.
- g) Income from services rendered is recognised as revenue when the right to receive the same is established.
- h) Profit on sale of investment is recorded upon transfer of title by the Company. It is determined as the difference between the sale price and the then carrying amount of the investment.

2.8 Inventories

- a) Stock of Materials, etc.
Stock of materials, etc. has been valued at lower of cost or net realisable value. The cost is determined on Weighted Average method.
- b) Development Work
 - (i) Development - Completed Units
Finished goods comprising of constructed units ready for sale are valued at lower of cost and net realisable value.
 - (ii) Development - Units under construction

2.9 Employee Benefits

- a) **Short-term Employee Benefits -**
The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by the employees is recognised during the year when the employees render the service.
- b) **Post Employment Benefits**
 - i) Defined Contribution Plan -
Payments to defined contribution retirement benefit schemes viz. Company's Provident Fund Scheme and Superannuation Fund are recognised as an expense when the employees have rendered the service entitling them to the contribution.
 - ii) Defined Benefit Plan -
The Company's liability towards gratuity is determined using the Projected Unit Credit method, with actuarial valuation being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service costs is recognised on a straight line basis over the average period until the benefits become vested. To the extent the benefits are vested, the past service cost is recognised immediately in the Statement of Profit and Loss.

The liability recognised in the Balance Sheet represents the present value of the defined benefit obligation adjusted for unrecognised past service cost and as reduced by the fair value of the scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

- c) **Other Long-term Employee Benefits -**
The Company's liability towards compensated absence which are not expected to accrue within twelve months after the end of the period in which employee renders the related service is determined by using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date.

2.10 Borrowing Cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. Advances/deposits given to the vendors under the contractual arrangement for acquisition/construction of qualifying assets is considered as cost for the purpose of capitalization of borrowing cost.

2.11 Leases

- a) Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to statement of profit and loss on accrual basis.
- b) Assets leased out under operating leases are capitalized. Rental income recognized on accrual basis over the lease term.

2.12 Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on the best estimates required to settle the obligation as at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed in the financial statements unless the probability of outflow of resources is remote. A contingent asset is neither recognised nor disclosed in the financial statements.

- 2.13 Warranty cost are accrued on completion of project, based on past experience. The provision is discharged over the warranty period from the date of project completion till the defect liability period of particular project.

2.14 Taxes on Income

- a) Tax expense comprises of current tax and deferred tax.
- b) Current tax is measured at the amount expected to be paid to/recovered from the tax authorities, using the applicable tax rates and tax laws.
- c) Deferred tax is recognised on timing differences between taxable income and accounting income which originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets are recognised for timing differences other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future income will be available against which these can be realised. Deferred tax assets in respect of unabsorbed depreciation and carried forward losses are recognised only if there is virtual certainty that sufficient future taxable income will be available to realise the assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.
- d) Minimum Alternate Tax (MAT) credit entitlement available under the provisions of Section 115JAA of the Income Tax Act, 1961 is recognised if there is convincing evidence that the Company will pay normal tax during the specified future period. The Company reviews the carrying amount of MAT credit entitlement at each balance sheet date and writes-down the carrying amount to the extent there is no longer convincing evidence that the Company will pay normal tax during the specified future period.

2.15 Joint Venture Projects

a) Jointly Controlled Operations -

2.16 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

2.17 Employee Stock Option Scheme

The Company has formulated Employee Stock Option Schemes (ESOS) in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Schemes provide for grant of options to employees of the Company to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. The Company accounts the employee stock based compensation under intrinsic value method. In accordance with the SEBI Guidelines; the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price is amortised on a straight-line basis over the vesting period.

2.18 Foreign currency transaction

- a) Initial Recognition
Transactions in foreign currency are initially recorded at the exchange rate prevailing on the date of the transaction.
- b) Conversion
Monetary assets and liabilities denominated in foreign currencies are translated at the rates prevailing on the balance sheet date. Non-monetary foreign currency items are carried at their historical costs and not retranslated. Gains and losses arising on translation and settlement of foreign currency monetary assets and liabilities are recognised in the Statement of Profit and Loss.
- c) Exchange Difference
Exchange differences on forward exchange contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of a forward exchange contract is recognised in the Statement of Profit and Loss.

2.19 Earning Per Share

The Company reports basic and diluted earnings per share (EPS) in accordance with Accounting Standard 20 "Earnings per Share". Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholder by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss attributable to equity shareholders by weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

2.20 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and cash equivalents presented in cash flow statement consists of cash in hand and unencumbered, highly liquid bank and other balances that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

10.2 Employee benefit plans

(A) Defined Contribution Plan

The Company makes Provident Fund contributions to defined contribution plan administered by the Regional Provident Fund Commissioner. Under this scheme, the Company is required to contribute a specified percentage of payroll cost to fund the benefits. The Company has recognized Rs.18,930,458 for Provident Fund contributions (March 31, 2015 : Rs.15,242,043) and Rs 1,006,952 (March 31, 2015 : Rs.1,255,728) towards ESIC in the Statement of Profit and Loss. The provident fund and ESIC contributions payable by the Company are in accordance with rules framed by the Government from time to time.

(B) Defined Benefit Plan

The Company makes annual contribution towards gratuity to fund for qualifying employees. The funded gratuity plan provides for a lump sum payment to employees, at retirement, death while in employment or on termination of employment, of an amount equivalent to 15 days salary for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of continuous service.

The Compensation cost of stock options granted to employees has been accounted by the company using the intrinsic value method. The guidance note on accounting of employee share based payments issued by the Institute of Chartered Accountants of India requires the disclosure of pro forma net results and EPS both basic & diluted, had the Company adopted the fair value method. Had the Company accounted these options under fair value method, amortising the stock compensation expense thereon over the vesting period, the reported Profit for the year ended March 31, 2016 would have been lower by Rs. 49.29 lakhs (Previous year: lower loss of Rs. 14.96 lakhs) and Basic and diluted EPS would have been revised to profit of Rs. 0.43 per share (Previous year loss of 14.30 per share) and profit Rs. 0.43 per share (Previous year loss of 14.30 per share) respectively as compared to profit of Rs. 0.47 per share (Previous year loss of 14.31 per share) and profit of Rs. 0.46 per share (Previous year loss of 14.31 per share) without such impact.

The fair value of the stock option is calculated through the use of option pricing models, requiring subjective assumptions which greatly affect the calculated values. The said fair value of the options have been calculated using Binomial lattice option pricing model, considering the expected weighted average term of the options to be 1 year from the date of vesting, an expected dividend rate of 2% on the underlying equity shares, a risk free rate 8.40% and weighted average volatility in the share price in the range of 61.10% - 67.42%. The Company's calculations are based on a single option valuation approach, and forfeitures are recognized as they occur. The expected volatility is based on historical volatility of the share price after eliminating the abnormal price fluctuations.

g) In respect of a development project, as per the terms of land purchase agreement with a land vendor, an additional amount equivalent to 40% of sale proceeds will required to be paid in the event the FSI availed is in excess of 580000 Sq ft. Since such event has not occurred till the date of balance sheet, no provision is required for this additional cost.

h) The levy of Maharashtra Value Added Tax (MVAT) in respect of Real Estate Development sales has been subject to considerable legislative amendments, litigation and administrative action. During the pendency of special leave petition before the Hon'ble Supreme Court against the earlier Hon'ble Mumbai High Court decision, a decision has been pronounced by the Hon'ble Mumbai High Court and the matter has not reached finality.

The Industry, accounting and legal fraternity is examining the implications of the decisions and the way the liability will be worked out under various options provided. In view of such uncertainties, the management has been advised that in the present scenario it is difficult to correctly determine MVAT liability payable in respect of real estate development sales executed during the period 20th June, 2006 to 31st March, 2010. The Company is currently in process of ascertaining the exact applicability of these pronouncements, contractual ability to collect MVAT from past customers and the mechanism of collection of MVAT in respect of real estate development sales executed during the period 20th June, 2006 to 31st March, 2010.

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

- 40** The company enters into "domestic transactions" with specified parties that are subject to the Transfer Pricing regulations under the Income Tax Act, 1961 ('regulation'). The pricing of such domestic transactions will need to comply with Arm's length principle under the regulations. These regulations, inter alia, also required the maintenance of prescribed documents and information including furnishing a report from an accountant which is to be filed with the Income tax authorities.
The Company has undertaken necessary steps to comply with the regulations. The management is of the opinion that the domestic transactions are at arm's length, and hence the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

VASCON ENGINEERS LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of VASCON ENGINEERS LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") its associate and jointly controlled entities, comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associate and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. The respective Board of Directors of the companies included in the Group and of its associate and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in subparagraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate and jointly controlled entities as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- a) We did not audit the financial statements of 13 subsidiaries whose financial statements reflect total assets of Rs. 29,294 lakhs as at March 31, 2016, total revenues of Rs. 3,462 lakhs and net cash outflows amounting to Rs. 118 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entities, is based solely on the reports of the other auditors.
- b) We did not audit the financial statements of 2 Subsidiaries and 2 jointly controlled entities, whose financial statements reflect total assets of Rs. 6,684 lakhs as at March 31, 2016, total revenues of Rs. 1,267 lakhs and net cash outflow amounting to Rs. 603 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of Rs. NIL for the year ended March 31, 2016, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, is based solely on such unaudited

financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

ANNEXURE TO INDEPENDENT AUDITORS REPORT

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Vascon Engineers Limited (hereinafter referred to as “the Holding Company”) and its subsidiary companies, its associate company and jointly controlled companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, its associate company and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance

Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and joint controlled companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies,

which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 11 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Vascon Engineers Limited

Notes forming part of the Consolidated Financial Statements

1 Principle of Consolidation and Entities Considered in Consolidated Financial Statement

1.1 Principle of Consolidation

The consolidated financial statements relate to Vascon Engineers Limited (the Company), its Subsidiary Companies, Associates and Joint Venture Companies (together referred to as Vascon Group). The consolidated financial statements have been prepared on the following basis:

- a) The accompanying Consolidated Financial Statements are prepared under the historical cost convention on an accrual basis of accounting in conformity with accounting principles generally accepted in India to reflect the financial position of the company its Subsidiaries and Joint Ventures.
- b) Others:
 - (i) In respect of Subsidiary Companies, the Financial Statements have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and unrealised profits / losses on intra-group transactions in accordance with the Accounting Standard- (AS) - 21 'Consolidated Financial Statements' issued by the Institute Of Chartered Accountants Of India (ICAI).
 - (ii) In case of Joint Venture Companies, the Financial Statements have been consolidated in accordance with the AS - 27 'Financial Reporting of Interests in Joint Ventures' issued by the ICAI.
 - (iii) In case of associates where the company directly or indirectly through subsidiaries holds more than 20% of equity, Investment and has significant influence in associates are accounted for using equity method in accordance with the AS - 23 "Accounting for investments in associates in consolidated financial statements" issued by the ICAI.
 - (iv) Investments other than its subsidiaries, joint ventures and associates have been accounted in accordance with AS - 13 on "Accounting for Investments" issued by the ICAI.
 - (v) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and necessary adjustments required for deviation if any have been made in consolidated financial statements and are prepared in the same manner as the Company's unconsolidated financial statements.
 - (vi) The excess of the cost to the company of its investments in the subsidiaries over the Company's portion of equity on the acquisition date is recognised in the Consolidated Financial Statements as Goodwill. The Company's portion of the equity in the subsidiaries as at the date of acquisition is determined after realigning the material accounting policies of the subsidiaries to that of the parent and adjusting the charge/ (reversal) on account of realignment to the accumulated reserves and surplus of the subsidiaries at the date of acquisition.
 - (vii) Minority Interest's share of net profit/ loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the company.
 - (viii) Minority Interest's share of net assets of the consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the company's shareholders.

2 Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of Estimates

The preparation of the financial statements, in conformity with the Indian GAAP, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liability) at the date of the financial statements and the reported amounts of revenues and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between actual results and estimates are recognized in the periods in which the results are known/materialize.

2.3 Tangible Asset, Intangible asset and capital work in progress

- a) Fixed assets are carried at cost less accumulated depreciation/amortisation. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.
- b) Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and disclosed separately.
- c) Capital Work in Progress - Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest. Revenues earned if any, before capitalization from such capital project are adjusted against capital work in progress.
- d) Borrowing cost relating to acquisition / construction /development of tangible asset and capital work in progress which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such asset are ready to be put to use.

2.4 Impairment of fixed assets

At the end of each year, the management reviews the carrying values of assets to determine whether there is any indication that those assets have suffered impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent, if any, of the impairment loss. Where it is not possible to estimate the recoverable amount of individual asset, the management estimates the recoverable amount of the cash generating unit to which the asset belongs. Intangible assets are tested for impairment every financial year even if there is no indication that the asset is impaired.

If the recoverable amount of an asset of cash generating unit is estimated to be less than the carrying amount, the carrying amount of the asset or the cash generating unit is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset of cash generating unit is increased to the revised estimate of a recoverable amount, not exceeding the carrying amount that would have been determined had no impairment loss been recognised for the asset or cash generating unit in prior years. A reversal of impairment loss is recognised immediately in the Statement of Profit and Loss.

2.5 Depreciation / Amortisation / Diminution

- a) Depreciation on tangible fixed assets is provided for on written down value method based on estimated useful life of fixed assets.

Assets	Useful Life
Leasehold Land	Over the period of the lease
Building*	60 years
Plant and machinery	15 years
Furniture and fixtures*	10 years
Vehicles*	8 years
Office equipments*	3 to 6 years

* Estimated useful life of assets consistent with the useful life specified in Schedule II of the Companies Act, 2013.

The economic useful life of assets has been assessed based on technical evaluation, taking into account the nature of assets, the estimated usage of assets, the operating conditions of the assets, past history of replacement, anticipated technological changes, maintenance history etc.

- b) Intangible assets are amortised on the written down value method over their estimated useful life.
- c) Fixed assets individually costing Rs. 5,000 or less are depreciated fully in the year of acquisition.
- d) Depreciation on assets acquired/purchased, sold/discarded during the year is provided on a pro-rata basis from the date of each addition till the date of sale/discard.
- e) Cost of acquisition of share in partnership firm is amortised on systematic manner. Adjustments are made for any permanent impairment in value, if any.

2.6 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.7 Recognition of Revenue / Cost

a) Construction contracts

Revenue from fixed price construction contracts is recognised on the Percentage Of Completion Method (POCM). The stage of completion is determined by survey of work performed / completion of physical proportion of the contract work determined by technical estimate of work done / actual cost incurred in relation to total estimated contract cost, as the case may be. The estimate of total contract cost has been made at the time of commencement of contract work and reviewed and revised, by the technical experts, from time to time during period in which the contract work is executed. Future expected loss, if any, is recognised immediately as expenditure. In respect of unapproved revenue recognised, an adequate provision is made for possible reductions, if any. Contract revenue earned in excess of billing has been reflected as unbilled revenue under the head "Other Current Assets" and billing in excess of contract revenue has been reflected as Unearned Revenue under the head "Other Current Liabilities" in the Balance Sheet. The Company provides for cost to be incurred during warranty period for servicing warranties on the completed projects. Such amount, net of the obligations on account of sub-contractors, is determined on the basis of technical evaluation and past experience of meeting such costs. Escalation claims raised by the Company are recognised when negotiations have reached an advanced stage such that customers will accept the claim and amount that is probable will be accepted by the customer can be measured reliably.

b) Real estate development

(i) Completed Units

Revenue from sales of units is recognized as and when the underlying significant risk and rewards of ownership are transferred to the purchaser.

(ii) Units Under Development

Revenue from sales of such units is recognized as and when all the following conditions are satisfied:

- (a) The underlying significant risk and rewards of ownership are transferred to the purchaser.
- (b) All critical approvals necessary for commencement of the project are obtained .
- (c) Reasonable level of development is reached when project cost incurred excluding land cost and borrowing cost exceeds 25% of the project cost excluding land cost and borrowing cost.
- (d) Atleast 25% of the estimated project area are secured by contracts or agreement with the buyers.
- (e) Atleast 10% of the total revenue as per agreements of sale are realised at the reporting date in respect of each of the contracts and there are no outstanding defaults of the payment terms in such contracts.
- (f) Certainty of recoverability of the balance consideration.

Revenue is recognized on proportionate basis as the acts are progressively performed, by applying the percentage of completion method as explained in AS-7 (Revised) Construction Contracts in compliance with the authoritative professional view.

The percentage completion for the purpose of recognition of revenue is determined based on actual costs incurred thereon by the Company to total estimated cost with reference to the saleable area. Cost for this purpose includes cost of land/development rights, construction and development costs of such properties borrowing costs and overheads, as may be applicable.

The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period in which such changes occur.

However, when the total project cost is estimated to exceed total revenues from the project, loss is recognized immediately.

c) Share of Profit/Loss from Partnership firm/ Association of Person is recognised as income during the relevant period on the basis of accounts made-up

audited or unaudited as the case may be and allocation made by the firm/AOP in accordance with the Deed of Partnership/AOP Agreement.

d) Interest Income – Interest income is recognized on time proportion basis taking into account the amounts invested and the rate of interest.

e) Dividend Income – Dividend income is recognized as and when the right to receive the same is established.

f) Rental Income – Income from letting-out of property is accounted on accrual basis- as per the terms of agreement and when the right to receive the rent is established.

g) Income from services rendered is recognised as revenue when the right to receive the same is established.

h) Profit on sale of investment is recorded upon transfer of title by the Company. It is determined as the difference between the sale price and the then carrying amount of the investment.

2.8 Inventories

a) Stock of Materials, etc.

Stock of materials, etc. has been valued at lower of cost or net realisable value. The cost is determined on Weighted Average method.

b) Development Work

(i) Development - Completed Units

Finished goods comprising of constructed units ready for sale are valued at lower of cost and net realisable value.

(ii) Development - Units under construction

The unit under construction to the extent not recognised as sales under the revenue recognition policy adopted by the Company is carried at lower of cost or net realisable value on the basis of technical estimate certified by the Managing Director / Technical Experts.

c) Stock of Trading Goods

Stock of trading goods has been stated at cost or net realisable whichever is lower. The cost is determined on Weighted Average Method.

2.9 Retirement benefits

a) Short-term Employee Benefits -

The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by the employees is recognised during the year when the employees render the service.

b) Post Employment Benefits

i) Defined Contribution Plan -

Payments to defined contribution retirement benefit schemes viz. Company's Provident Fund Scheme and Superannuation Fund are recognised as an expense when the employees have rendered the service entitling them to the contribution.

ii) Defined Benefit Plan -

The Company's liability towards gratuity is determined using the Projected Unit Credit method, with actuarial valuation being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service costs is recognised on a straight line basis over the average period until the benefits become vested. To the extent the benefits are vested, the past service cost is recognised immediately in the Statement of Profit and Loss.

The liability recognised in the Balance Sheet represents the present value of the defined benefit obligation adjusted for unrecognised past service cost and as reduced by the fair value of the scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

c) Other Long-term Employee Benefits -

The Company's liability towards compensated absence which are not expected to accrue within twelve months after the end of the period in which employee renders the related service is determined by using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date.

2.10 Borrowing Cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. Advances/deposits given to the vendors under the contractual arrangement for acquisition/construction of qualifying assets is considered as cost for the purpose of capitalization of borrowing cost.

2.11 Leases

- a) Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to statement of profit and loss on accrual basis.
- b) Assets leased out under operating leases are capitalized. Rental income recognized on accrual basis over the lease term.

2.12 Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on the best estimates required to settle the obligation as at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed in the financial statements unless the probability of outflow of resources is remote. A contingent asset is neither recognised nor disclosed in the financial statements.

2.13 Taxes on Income

- a) Tax expense comprises of current tax and deferred tax.
- b) Current tax is measured at the amount expected to be paid to/recovered from the tax authorities, using the applicable tax rates and tax laws.
- c) Deferred tax is recognised on timing differences between taxable income and accounting income which originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets are recognised for timing differences other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future income will be available against which these can be realised. Deferred tax assets in respect of unabsorbed depreciation and carried forward losses are recognised only if there is virtual certainty that sufficient future taxable income will be available to realise the assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.
- d) Minimum Alternate Tax (MAT) credit entitlement available under the provisions of Section 115JAA of the Income Tax Act, 1961 is recognised if there is convincing evidence that the Company will pay normal tax during the specified future period. The Company reviews the carrying amount of MAT credit entitlement at each balance sheet date and writes-down the carrying amount to the extent there is no longer convincing evidence that the Company will pay normal tax during the specified future period.

2.14 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

2.15 Employee Stock Option Scheme

The Company has formulated Employee Stock Option Schemes (ESOS) in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Schemes provide for grant of options to employees of the Company and its subsidiaries to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. In accordance with the SEBI Guidelines; the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price is amortised on a straight-line basis over the vesting period.

2.16 Foreign currency transaction

a) Initial Recognition

Transactions in foreign currency are initially recorded at the exchange rate prevailing on the date of the transaction.

b) Conversion

Monetary assets and liabilities denominated in foreign currencies are translated at the rates prevailing on the balance sheet date. Non-monetary foreign currency items are carried at their historical costs and not retranslated. Gains and losses arising on translation and settlement of foreign currency monetary assets and liabilities are recognised in the Statement of Profit and Loss.

c) Exchange Difference

Exchange differences on forward exchange contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of a forward exchange contract is recognised in the Statement of Profit and Loss.

2.17 Earning Per Share

The Company reports basic and diluted earnings per share (EPS) in accordance with Accounting Standard 20 "Earnings per Share". Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholder by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss attributable to equity shareholders by weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

2.18 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and cash equivalents presented in cash flow statement consists of cash in hand and unencumbered, highly liquid bank and other balances that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

The Compensation cost of stock options granted to employees has been accounted by the company using the intrinsic value method. The guidance note on accounting of employee share based payments issued by the Institute of Chartered Accountants of India requires the disclosure of pro forma net results and EPS both basic & diluted, had the Company adopted the fair value method. Had the Company accounted these options under fair value method, amortising the stock compensation expense thereon over the vesting period, the reported Profit for the year ended March 31, 2016 would have been lower by Rs. 49.29 lakhs (Previous year: lower loss of Rs. 14.96 lakhs) and Basic and diluted EPS would have been revised to profit of Rs. 0.40 per share (Previous year loss of 14.26 per share) and profit Rs. 0.39 per share (Previous year loss of 14.26 per share) respectively as compared to profit of Rs. 0.43 per share (Previous year loss of 14.25 per share) and profit of Rs. 0.43 per share (Previous year loss of 14.25 per share) without such impact.

The fair value of the stock option is calculated through the use of option pricing models, requiring subjective assumptions which greatly affect the calculated values. The said fair value of the options have been calculated using Binomial lattice option pricing model, considering the expected weighted average term of the options to be 1 year from the date of vesting, an expected dividend rate of 2% on the underlying equity shares, a risk free rate in the range of 8.40% - 9.20% and weighted average volatility in the share price in the range of 55.60% - 61.10%. The Company's calculations are based on a single option valuation approach, and forfeitures are recognized as they occur. The expected volatility is based on historical volatility of the share price after eliminating the abnormal price fluctuations.

43 Share of Joint Venture in Consolidated Financial statement are as under.

The Board recommends the resolution set forth in item No. 7 of the notice for approval of the members.

Item Nos. 8

By virtue of Section 73 read with the Companies (Acceptance of Deposits) Rules, 2014, approval of members by way of ordinary resolution is a prerequisite to accept or renew unsecured fixed deposit by your Company and thus member's approval is sought for accepting unsecured deposit from members. Further the

Companies Act, 2013 provides that the deposits raised in terms of provisions of the previous Act shall be repaid as per the term of respective deposit, which is being complied by your Company.

The Board commends the Resolution at Item Nos. 8 for approval by the Members.

None of the Directors or Key Managerial Personnel of the Company or any of their relatives are in anyway, concerned or interested, financially or otherwise in the said resolution except to their holding in the Fixed Deposits of the Company.

Item 9 & 10

With the objectives of securing greater employee participation; motivating the employees to contribute to the growth and profitability of the Company; it is proposed to grant employee stock options to employees through Employee Stock Option Scheme, 2016 ('**ESOS, 2016**'). This would not only enable the Company to reward their loyalty, performance, commitment and support but also to attract and retain the best talent besides enabling the employees to develop a greater sense of ownership with the organisation.

The main features of the employee stock option schemes are as under:

a) The total number of Options to be granted

A maximum of 64, 00,000 (Sixty Four Lacs Only) Options convertible into 64, 00,000 (Sixty Four Lacs Only) Shares of the face value of Rs. 10/- each of the Company, which will be granted to the eligible employees as may be decided by the Nomination & Remuneration Committee from time to time on such terms and conditions as may be determined by it in accordance with the ESOS, 2016 and the SEBI SBEB Regulations.

Each option (after it is vested) will be exercisable for one Equity share of Rs. 10 each fully paid-up.

Vested options that lapse due to non-exercise or unvested options that get cancelled due to resignation of the employees or otherwise would be available for being re-granted at a future date.

b) Identification of classes of Employees entitled to participate in the Scheme

All permanent employees of the Company whether working in India or abroad, as may be decided by the Board, from time to time, would be entitled to participate in the employee stock option schemes.

Employees may be granted Stock Options based on performance and such other criteria as the Board may, in its absolute discretion decide. The options granted to an employee will not be transferable to any person and shall not be pledged, hypothecated, mortgaged or otherwise alienated in any manner.

The following persons not eligible for grant of Options:

- An employee who is a promoter or belongs to the promoter group; or
- A director, who either by himself or through his relatives or through anybody corporate, directly or indirectly holds more than 10% of the outstanding Shares of the Company; or
- Independent Directors

c) Requirements of Vesting and period of Vesting

The Options granted shall vest so long as the employee continues to be in the employment of the Company. The options granted shall vest on completion of 1 (one) year from the date of grant of the options.

The Board may, in its discretion, lay down certain performance metrics on the achievement of which the granted options would vest, the detailed terms and conditions relating to such Performance-based vesting, and the proportion in which options granted under the schemes would vest.

d) Maximum period within which the Options shall be vested

The Options granted under the ESOS- 2016 will vest on completion of 1 (one) year from the date of grant of such Options.

e) Exercise price or Pricing formula

The exercise price shall be the Market Price of the Equity Shares or at such discount to the Market Price of the Equity Shares as may be determined by the Board but shall not be less than the face value of Equity Shares.

The full exercise price along with applicable taxes, if any, shall be paid to the Company upon exercise of the Options in terms of the ESOS- 2016.

In case the company opts for expensing of share based employee benefits using the intrinsic value, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value, shall be disclosed in the Directors' report and the impact of this difference on profits and on earnings per share ("EPS") of the company shall also be disclosed in the Directors' report.'

f) Exercise period and process of exercise

The Exercise period would commence from the date of vesting and will expire on completion of one year from the date of vesting of options.

The options will be exercisable by the Employees by a written application to the Company to exercise the options in such manner, and on execution of such documents, as may be prescribed by the Board from time to time. The options will lapse if not exercised within the specified exercise period.

g) Maximum number of Options / Quantum of benefits to be granted per Employee and in aggregate

The maximum number of Options in aggregate that may be granted under ESOS- 2016 shall not exceed 64, 00,000 (Sixty Four Lacs Only).

The number of options that may be granted to employees under the Scheme shall be determined by the Nomination & Remuneration Committee from time to time. During any one year, the Board may grant options equal to or exceeding 1% of the issued capital (excluding outstanding warrants and conversions) of the Company at the time of grant of Options to the Identified Employees as may be approved by the Board.

h) ESOS – 2016 is proposed to be implemented and administered by the Company directly.

i) ESOS – 2016 shall involve new issue of shares by the Company.

j) Disclosure & Accounting policies

The Company shall comply & conform with the disclosure & accounting policies specified in the said SEBI SBEB Regulations, as may be applicable.

k) Method of valuation of Options

The Company shall follow the intrinsic value method to value the options.

l) The difference between the employee compensation cost computed on the basis of the intrinsic value method and the employee compensation cost calculated on the basis of the fair value method for the Options and also the impact of this difference on the profits and on earnings per share (EPS) of the Company shall be disclosed in the Directors' Report.

m) Appraisal / Assessment Process for determining the eligibility of employees to the Scheme.

The appraisal process for determining the eligibility would be determined by the Remuneration Committee from time to time based on broad criteria for appraisal and selection such as parameters like tenure of association with the Company, performance during the previous years, contribution towards strategic growth, contribution to team building and succession, cross functional relationship, corporate governance, Company's values, etc.

As per Regulation 6(1) of the SEBI Regulations, any Employees Stock Option Scheme must be approved by way of a special resolution. Further as the ESOP Scheme provides for issue of shares to be offered to persons other than existing shareholders of the Company, consent of the members as set out at Item No. 14 of the Notice is being sought pursuant to Section 62(1) (b) of the Companies Act, 2013 and all other applicable provisions, if any, of the Act and as per the regulation.

As per Regulation 6(3) (d) of the Regulations, approval of the shareholders by way of a separate resolution is required to be obtained, in case grant of options to eligible employees, during any one year, equal to or exceeding 1% of the issued capital of the Company at the time of grant of options is proposed to be made.

Since it is proposed to grant options to the Eligible Employees to the extent of 1% of the present issued capital of the Company, resolution set out in Item No. 10 is placed for approval of the members.

The options to be granted / shares to be issued under the ESOS - 2016 shall not be treated as an offer or invitation made to public for subscription in the securities of the Company.

The Board commends passing of the Special Resolution as set out at Item Nos. 9 & 10 in relation to the ESOS 2016, for the approval by the shareholders of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives except to the extent of securities that may be offered to them individually under the ESOP Scheme, is in any way, concerned or interested in these resolutions.
